There are stars in the southern sky  
Southward as you go  
There is moonlight and moss in the trees  
Down the seven bridges road

I have loved you like a baby  
Like some lonesome child  
I have loved you in a tame way  
And I have loved you wild

Sometimes there is a part of me  
Has to turn from here and go  
Running like a child from these warm stars  
Down the seven bridges road

There are stars in the southern sky  
And if ever you decide you should go  
There is a taste of time sweet as honey  
Down the seven bridges road

There are stars in the southern sky  
Southward as you go  
There is moonlight and moss in the trees  
Down the seven bridges road

Down the seven bridges road
