Up on the mountain road toward the top of the
mountain
I hear singing in the distance far away
And as my steps grow closer I start recognizing
Voices that I havn't heard since my childhood days.

Chorus:

Oh, they're singing on the mountain
Yes, they're singing on the mountain
Sounds like ringing voices that I hear (that I hear)
Oh, they're singing on the mountain
Yes, they're singing on the mountain
Voices ringing out so loud and clear.

I can hear my mama and my two older sisters
Singing God Revive ZUs Once Again
And I hear daddy's voice ringing out across the
mountain
Singing Glory Hallelujah, Amen.

Chorus:

Oh, they're singing on the mountain
Yes, they're singing on the mountain
Sounds like ringing voices that I hear (that I hear)
Oh, they're singing on the mountain
Yes, they're singing on the mountain
Voices ringing out so loud and clear.

I awaken from my dreaming, they all stop their singing
Then I realize that I am far away from where
I spent my childhood with all there fantasy in my
dreams
Singing I Hide and Sing in Prayer

Chorus:

Oh, they're singing on the mountain
Yes, they're singing on the mountain
Sounds like ringing voices that I hear (that I hear)
Oh, they're singing on the mountain
Yes, they're singing on the mountain
Voices ringing out so loud and clear...
