Oh, I wish I was a kissin' tree
A growin' in the ground
And every time my sweet pass by
I'd throw some kisses down

And if he wants more kisses
Here's all he has to do
Just come up here that kissin' tree
And I'll give him some kissin' to

I love a tall man, he ain't a small man
My man is all man and the only man for me
Now I wish, I was a kissin' tree out
On the lone prairie

And every time my sweet pass by
He'd steal a kiss from me

And if he wants more kisses
Here's all he has to know
Just plant me down in a Texas town
And watch them kisses grow

I love a tall man, he ain't a small man
My man is all man and the only man for me
And the only one for me ooh
