To know know know him is to love love love him  
Just to see him smile makes my life worthwhile  
To know know know him is to love love love him  
And I do

I'll be good to him, I'll bring love to him  
Everyone says there'll come a day when I'll walk  
alongside of him  
Yes just to know him is to love love love him  
And I do

Why can't he see, how blind can he be  
Someday he will see that he was meant for me, oh

To know know know him is to love love love him  
Just to see him smile makes my life worthwhile  
To know know know him is to love love love him  
And I do
