It's good to be back home again at the Sevier
Tennessee
I'm awful glad to see you hope you're glad to see me
Now I'd like to say I love you I welcome to you all
Now I know I stole this steam from the Wabash
Cannonball

From the great Atlantic ocean to the wide Pacific shore
Up the hills and down the mountains and the valleys to
the shore
She's mighty tall and handsome and known quite well
by all
She's a mighty famous thing called the Wabash
Cannonball (Pete Drake)
[steel - fiddle]
Well she came down from Birmingham one cold
December day

As she pulled into the station you could hear all the
people say
That's that train from Tennessee boys she's long and
she's tall
She's a famous choo-choo train called the Wabash
Cannonball (yodel)
