You never cease to amaze me
You can still make me crazy
Baby you can turn me on with just your eyes

You're just so darn appealing
Ooh, you stir up sexy feelings
Every man in the room would love to try you on for size

Baby ,wait 'til I get you home
Wait 'til I get you alone
Wait 'til I get my hands on you
Wait 'til I get you home, sweet baby
Wait 'til I get you home

Oh baby you still make me
Feel feelin's that can take me
To places where I've never been before

Well honey I've got a feelin'
We'll make some shadows on the ceilin'
Tonight by candlelight behind closed doors

Baby, wait 'til I get you home
Wait 'til I get you alone
Wait 'til I get my hands on you
Wait 'til I get you home, sweet baby
Wait 'til I get you home

Your lovin' gets better each time we're together
It's always exciting and new
Each time we discover, we're still like young lovers
It's always been magic with you

Baby wait 'til I get you home
You just wait 'til I get you alone
Wait 'til I get my hands on you
Wait 'til I get you home sweet darlin'
Wait 'til I get you home

Wait 'til I get you alone
Wait 'til I get my hands on you
Wait 'til I get you home, sweet baby

Wait 'til I get you home, sweet darlin'
Wait 'til I get you home

You just wait, you just wait
I can't wait, I can't wait
