Why'd you come in here lookin' like that  
In your cowboy boots and your painted-on jeans?  
All decked out like a cowgirl's dream  
Why'd you come in here looking like that?

Here comes my baby, draggin' my heart behind  
He's drivin' me crazy, who says love is blind?

He's got a wanderin' eye and a travelin' mind  
Big ideas and a little behind  
Out with a different woman every night  
But I remember when he was mine

Why'd you come in here lookin' like that  
In your high heeled boots and your painted-on jeans?  
All decked out like a cowgirl's dream  
Waltzing right in here lookin' like that

Why'd you come in here lookin' like that  
When you could stop traffic in a gunny sack?  
Why you're almost givin' me a heart attack  
When you waltz right in here lookin' like that?

I just can't stand it to see him on the town  
He's out slow dancing with every girl around

I'm a softhearted woman, he's a hardheaded man  
And he's gonna make me feel just as bad as he can  
He's got himself a mean streak a half a mile wide  
But now he's dancing on this heart of mine

Why'd you come in here lookin' like that  
In your high heeled boots and your painted-on jeans?  
All decked out like a cowgirl's dream  
Why'd you come in here lookin' like that?

Why'd you come in here lookin' like that  
In your high heeled boots and your painted-on jeans?  
All decked out like a cowgirl's dream  
Why'd you come in here lookin' like that?

Why'd you come in here lookin' like that

When you could stop traffic in a gunny sack?  
Why you're almost givin' me a heart attack  
When you waltz right in here lookin' like that?  
Why'd you come in here lookin' like that?
