Let's drink a toast to what might've been
To all that we were but can't be again
And let's just be thankful we parted as friends
Here's to the past, let the future begin

Oh, and here's to your wildest dreams
And here's to your everything
May your life be blessed with sweet happiness
Baby, here's to your wildest dreams

I made a promise that I wouldn't cry
You go and chase your rainbows, go on reach for the
sky
But come hold me close now, look deep in my eyes
Tell me you love me then kiss me goodbye

Oh, and here's to your wildest dreams, baby
And here's to your everything
May your life be blessed with sweet happiness
Baby, here's to your wildest dreams

I'll always love you and I'm on your side
In whatever you do, I will take pride

And here's to your wildest dreams, baby
And here's to your everything
May your life be blessed with sweet happiness
Baby, here's to your wildest dreams
Baby, here's to your wildest dreams
Dream on, baby
