Sometimes I try to count the ways and reasons that I  
love you  
But I can never seem to count that far  
I love you in a million ways and for a million reasons  
But more than this I love you as you are  
More than this I love you just as you are

You are my inspiration, you are the song I sing  
You are what makes me happy, you are my everything  
You are my daily sunshine, you are my ev'ning star  
Ev'rything I'd ever hoped to find, that's what you are  
Ev'rything I'll ever want for 'mine', is what you are

You are my thoughts when I'm awake, and my dreams  
when I'm asleep  
You are the reason for my smile, you are the words I  
speak  
Every role I play in life you play the leading part  
Ev'rything I'll ever want or need, is what you are  
The only one I'll ever want for me, that's what you are

You are my inspiration, you are the song I sing

You are what makes me happy, you are my everything  
You are my daily sunshine, you are my ev'ning star  
Ev'rything I ever had in mind, is what you are  
The only one I'll ever want for 'mine', that's what you are

You are my inspiration, you are the song I sing  
You are what makes me happy, you are my everything  
You are my daily sunshine, you are my ev'ning star  
Ev'rything I'd ever hoped to find, that's what you are  
Ev'rything I'll ever want for 'mine', is what you are

Ah, I love you  
Ah, I love you just as you are

Ah, I love you, I love you  
Ah
