(Merle Haggard)

To you I may never be more than a friend
But you'll always be special to me
To you I may never be closer than I am
But you'll always be special to me
Maybe I set my sights too high to be real
I may be wrong, but love is strong
And I can't hide how I feel
To you I may never be closer than I am
But you'll always be special to me

Maybe I set my sights too high to be real
But love is strong, I may be wrong
But I can't hide how I feel
To you I may never be closer than I am
But you'll always be special to me
