I love you in a place, Where theres no space or time  
I love you, for the life, You're a friend of mine  
& when my life is over, Remember when we were  
together  
We were alone, & I was singing this song to you

(Bizzy 1st Verse)

Fully-Automatic, Whateva you want to know  
He got's to cry, let up  
Stand in the back and ready, Attack  
& ready for combat, I  
Heavily heated, Weeded, Beat it, Need it, See it  
Get it?, Ge it?, Get it?, Good, Dont get it  
missunderstood  
My homey lonley, Homey, Walking and we talking  
fo'sho  
& im'a be with him in the end with for giveness, no  
more  
& remember the words are perfect, How could I be  
worthy?  
& when I feel so dam dirty, Dirty  
By leaning on a leaning chair, Baby ain't here yet,  
Henny, Caffeine, & nicotine, Notice I left out the green?  
Notice i never brake a set, Whos that? Fuck it  
I don't even know the chick, I don't even know that shit  
Ex me, Perplex me, Flex on decks man  
Chastment, Investment, Quiet as kept  
I say now,  
(Man, Man, Man, Man)  
Ex me, Perplex me, Flex on decks man  
Chastment, Investment, Quiet as kept  
Fair?
