*[Verse 1]*

You have been sentenced to 567  
I ain't even do shit what the fuck WHAT!! this is bullshit  
Before I go (whoooo)

Momma momma I know I'm selling this marijuana god  
I do what I wanna but god they won't give me a job  
I scream and I holler and even tried to stop the cops  
Block my get away I know I'm selling chop chop  
God when they send me away on the ten pop  
Waiting for, drama cause I'm skinny  
The streets may be hideous but the heat was pretty  
Candy made me die tittie why when we ride  
On to the nitty gritty slide on the system of lies  
With me and my pride I don't think I'm gonna make it  
alive (what)  
Cause if I do  
I'm a be institute  
Sugar lies thugged out ever since PAC died  
I know what thugstas all about make a sacrifice for  
Christ  
These motherfuckers never could kill me twice (kill me  
twice)  
Crack pipes on the playground playground playground  
playground playground

*[Chorus]*

Before I go to jail yall  
Hell nah don't let em put me in a cell lord  
Prays god now *[Repeat 3X]*  
Before i go to jail go to jail go to jail

*[Verse 2]*

As I sit in this jail cell hell  
Reading the mail mom sent to me  
I can tell she getting weary  
Where my daddy at, I don't give a (fuck)  
Nigga don't call me when his money stack ducking to  
kill us everyday  
Where the love at Bone Thug brand new  
I always been with god, but is god with you  
I keep hearing these voices

Having a hell of my choices  
And telling us the poisons on my soul and hennessy  
was the ointment  
Seeeeeee, Saten still the enemy  
Never been a friend of me

Especially in the fast lane  
I can't pretend to be an angel when I'm only a servant  
Content in service to the one and only undisputed with  
common courtesy  
None of yall could've been worse then me, I've stoled  
things that I ain't proud of  
I won't even mention the power  
CD I was getting near it  
If I die today I, I'd die a happy man god bless the family

*[Chorus]*

Before I go to jail yall  
Hell nah don't let em put me in a cell lord  
Prays god now (Repeat 3X)  
Before I go to jail go to jail go to jail

*[Verse 3]*

Damn nobody sent me 20 dollars  
And my baby's mama's fraid to kiss me  
You don't miss me I don't blame her I made it to be  
Family kept on dissin me  
And got a letter I'm hoping to die quickly  
Hoping to die swiftly  
I'm going to take all these niggas with me  
And keep on testing me in the water and wonder why I  
don't cry  
Cause they stiff as me  
520 years what the fuck is 5 more  
What am I here for cause I was blasting at the five O  
Lil run and blow it up  
My niggas grown up  
Throwing up gang signs  
And I was praying at the same time  
I tell em slow it up  
Hell no  
And don't you wind up in this hell hold  
If I can do it all again  
When I becoming a man  
Learning in prison  
All these criminals yall don't know how the fuck they  
living  
But I ain't given up reading the bible everyday  
And only god can say I can pray

*[Chorus]*

Before I go to jail yall  
Hell nah don't let em put me in a cell lord  
Prays god now *[Repeat 3X]*  
Before I go to jail go to jail go to jail
