I just wish I had EXTRA...Extra Everything...

The-Dream: "Trick, we did it again."

Ciara: Now I

I just wanna be wherever you are

And I will love, you baby

Sun or rain

And I just wanna let you know that I will always be ?

Oh,

I I I, I...just wanna make you feel good.

And I just wanna love you like you deserve.

You'll nver ever need for another girl.

I'd need another day in the week

An extra hour on the clock

Just to show you how beautiful you are.

You're so good to me. Boy

You're so good to me.

Oh, yeah...I'd need an extra month on the year

One extra holiday.

Just to kiss you all over your face

You're so good to me...Boy

You're so good to me.

Ya got me

I'm Speechless

I-I-I'm Speechless

Ahhh. You got me speechless

I'm Speechless

I'm

What do I do? Baby.

The-Dream: Baby

I

I just wanna pay to get your house fixed

Just wanna be the one that get your nail did

Just keep your money baby, I'll pay all the rent.

Yeah Yeah Yeah.

See I understand and I know you've been on your feet
all day
You need a man that, when you reach for your money,
he say, put that shit away.

You need a break baby
And I'm your break baby

If love could talk, it would say, you deerve it all.
I'd need another day on the week
An extra hour on the clock
Just to show you how beautiful you are.
You're so good to me. Boy.
You're so good to me.

Oh, yeah...I'd need an extra month on the year
One extra holiday.
Just to kiss you all over your face

You're so good to me...
You're so good to me.
Ya got me

I'm Speechless
I-I-I'm Speechless
Ahhh. You got me speechless
I'm Speechless

I'm Speechless
I-I-I'm Speechless
Ahhh. You got me speechless
I'm Speechless
Ohhhh

See I'm thankful for everytime you wash my clothes
Coulda been anywhere in the world but instead you
right here on the road with me.

I can't count every bill that you pay.
And I can't forget when I didn't have it and you said,
baby, it's ok...okay.

It'll take forever to pay you back the love you gave.

An extra day on my week
An extra hour on the clock
Just to show you how beautiful you are.
Girl, you're so good to me
You're so good to me.

I'd need an extra month in the year
One extra holiday
Just to kiss you all over your face
So good to me.
You've been so good to me.

So good.
