Its soo many people in tha world and within tha plantet
Take it for granted and they lost up in their circle

One chance for a conditional love and its real
I aint poppin no pills, im just clockin them ?
Walkin in and eat and as we pass ?
Tell them my name is brian, yes my name is ?
Do you believe, but its all real good cuz we got guard
? as i get on my job
Still rockin and yes we solid as a ?
Passin that sticky icky ta bizzy ?
? in tha name of tha father ta tha son and tha holy spirit
The beginning of wisdom is the ?

Come on mommy do something on my lap to tha

Forklift breakin these crates are gettin heavier
I dont got ta touch ya to see or do my thing ta ya,
Knowin' mah status alone will shake ya labia (Play a
little game)

They know im known ta make tha beats smash
You keep bounchin like that, and you gunna get a beat
rash
Cocaine white, suit on, on and ? match, plus my keys
match, see i dont need this
You with me now, this byfar is a blessin,
When we get to tha car you should start undressin' me
(Undressin' me)
The way you've been waitin for some one impressin'
And im right behind ya, check one two testin'

When they lookin ? at us, whats wrong they should be
glad for us
When im walkin in tha forest, gotta go a long way, like
in tha chorus
? for us, smokin tha ?, and tha pictures clearer, one
guard, always superior
Feelin' us, one time we in tha stoo di oodi, gettin it
groovy 70's style like moody oodi
Roll with a uzi, never even had to use it, make my
money, smokin weed and drinkin liquor
Singin music (Hey)

Never abuse it, the consequences are serious,
Just like my homie in colombus its mysterious
Curiosity, its commin' in so ferocious
Expialledocus, deeper, its psycholis (Why)
Still rockin and we solid as a ?
Passin that sticky icky ta bizzy ?
? in tha name of tha father ta tha son and tha holy spirit
The beginning of wisdom is the ?

They try ta bang in tha club but they doin' it wrong (It
Wrong)
They try ta get gangsta with it but they just dont know
