And now we will commence with a prayer
Welcome, hooked back up with Tony C
You know what I'm sayin', yeah, yeah, yeah, yeah
See there's a lot of questions that muthafuckas need
answered
You know what I'm sayin'?

They wanna know what's up with Bizzy and Bone Thugs
(Did y'all break up?)
And all this and all that
(What's goin' on?)
I'ma simplify that shit, feel me, feel me

Standin' in thick tops with two pairs of Reebok's
And we not leavin' till them all clean where tha fiends at
Doin' it for my babies and baby it ain't no turnin' back
Burnin' that cigarette you know what these niggas can
get

These, I done smoked so much weed bought 20 V's,
Hennessey
And even the industry tried to play me like a crack
fiend
Eazy was my nigga but Eazy gave me all the liquor, I
was only 16
Ruthless can't tip me all of the demons missed me

Two of the bones dissed me I don't give a fuck we got
history
Shit it ain't no mystery
Niggas is pissed off they say I ain't showin' up to shows
But the people don't know
I ain't makin' no money so what am I workin' for

Tell me what am I hurtin' for, baby what are we
researchin' for
Restitution little foster kids give me contributions
So you can ring out the towel
And watch it's playin' me now

Roll, like can get rolled over come, come and get you
some

De, dum, de, dum, de, dum, de, dum, de, don't doubt
me

Roll, like can get rolled over come, come and get you
some
De, dum, de, dum, de, dum, de, dum, de, don't doubt
me

Roll, like can get rolled over come, come and get you
some
De, dum, de, dum, de, dum, de, dum, de, don't doubt
me

Roll, like can get rolled over come, come and get you
some
De, dum, de, dum, de, dum, de, dum, de, don't doubt
me

Am I hate well I ain't shot nobody yet how am I the bad
guy
Y'all tellin' mad lies and this is for the strong black
fathers
Gonna get your dollars and take your kids to college
Keep some extra for leather squalls

My momma was a hustla and you can call me pretty
boy Floyd
Runnin' when I hear the cop noise chillin' coffee pops,
they boys
Thank you for the beatings im my own man elevate
then a grown man
I don't trust nobody, chemicals that was taped
Through my nervous system

And sentimental survivors ducked down
In churches protectin' strays from mangin'
Did I forget to mention God never me and my wife drop
daily
On our knees forever little babies

Remember, remember the faith will get you through
Even though that hate was all we knew
Still throwin' food drives droppin' little kids hollas
As we get rushed like Elian Gonzales screamin' for
momma

Roll, like can get rolled over come, come and get you
some
De, dum, de, dum, de, dum, de, dum, de, don't doubt
me

Roll, like can get rolled over come, come and get you
some
De, dum, de, dum, de, dum, de, dum, de, don't doubt
me

Roll, like can get rolled over come, come and get you
some
De, dum, de, dum, de, dum, de, dum, de, don't doubt
me

Roll, like can get rolled over come, come and get you
some
De, dum, de, dum, de, dum, de, dum, de, don't doubt
me

God first then we second for musics a blessin'
Servin' it from lyin' then I ain't Bryon
And I'm fryin' and lessons of a ghetto kids
Who feelin' fiends cribs where everybody keeps dyin'

And everybody's takin' nobody years in science
If signs exist in the times we tint fell in cryin' to the
bitch
What the fuck am I supposed to do harm to the world is
school
With a tactic to lose 'cause we been slaves
Ever since them niggas follow the rules

Minorities in hell majority in jail more rappers is actin'
Never stood on no block I can tell raggin' and force
flaggin'
Lil fagot you got some bail for my homies
Saddity you ain't nothin' like Bizzy cause you phony I'm
money

He don't want dymond dolla you talkin' to nickys daddy
Have they momma or they fuckin' fathers, hello bother
My peoples with daddy well, shit if people will tell me
for fame
Lame, read books and go get some game

Roll, like can get rolled over come, come and get you
some
De, dum, de, dum, de, dum, de, dum, de, don't doubt
me

Roll, like can get rolled over come, come and get you
some
De, dum, de, dum, de, dum, de, dum, de, don't doubt
me

Roll, like can get rolled over come, come and get you
some
De, dum, de, dum, de, dum, de, dum, de, don't doubt
me
