"Let The Haters Know"

(feat. Aeileon El Nino & King Josiah)

[INTRO:]

Ye ye

(One time)

One setup

No enemies

Allah

(Is for my people) if you have no enemies there is no
reason for you to ride on this one right here baby

(Na meen b war) yeah

Bounce

Bounce

Come on

Come on

That's what I'm talking baby

Right there baby

(The right way this is our house)

Allah is god muslims in the house

[Verse 1:]

A many a people in my business

Many a people in deed

Many a people on my disnic

And they don't even know me

They Wasn't around for thuggish ruggish

Wasn't around for the struggle

They wasn around when I was homeless

Was wasn't around for my troubles

Up in my *****es face

Like they was there for the soth

Ter

They getting tested and don't even know it

They don't got no water hola holla

Need a dolla drop a dime in a bucket

I'm cutting them up off quick qwit the quickness

I don't know you like * it
All the judases & harlots & dragons we set around
I came in the door blessed
And you acted like you found me

Could have cleaned you up and downey (Allah damn me)
Could have cleaned you with bleach
I am a muslim study islam baby then you can reach

[Chorus]

[Hook 1:]

And let the haters know the truth nigga
They de snakes and they gone be the demons it the lak
E eternally burnin in the fire
Batta get quick back to god
Allah
An we say a sallah mallecum get on your job

And let the haters know the truth nigga they de snakes
And they gone be the demons it the lake
Eternally burnin in the fire betta
Get quick back to god
Allah
An we say a sallah mallecum get on your job
One time for they...

[Verse 2:]

How do they lie
With they venomous tongues and leading the life

Would they be switching they stories
They g
Lore me deplore me to fight

Like I'm scared to take a flight
I rather travel on foot
I am a walker you a dreamer
In a beemer now look
I am a muslim and I'm not drinkin your grapes and your wine
Gimme the milk and draped in silk &
Poppin pills I'll be fine
And they totally out of line
Poke out your inches to see me
It I'll take more than plastic surgery for you to try to be me
It I'll take more than rappin fast it
Il take more th your braids
It I'll take more than flashin cash

It I'll take more than a cape
Ve it I'll take more than pretty women right now I'm
abstinent hey

It I'll take more than getting attacked, I'm a veteran
mayn
With all the geniuses an harlots an dragons be set
around me
I came in the door bleesd and you actin like you found
me

Could have cleaned you up wi downey
Could have cleaned you with bleach
I am a muslim study Islam baby
Maybe you can reach
Yo

[Chorus 2:]

See what I'm tryna Tryna tell these people out here man
is basically... what y'all need to do is study islam right
now you know what I'm sayin... ya'all need to get knee
deep in y'all books please believe...
Juss Ride to this
I got alil something else I need to speak to y'all about
ok... so keep ya mind together here we go baby (aight
aight)

[Verse 3:]

Whatever is clever (it) ain't always the best way to go
Better with cheddar
In on my money now look at the road
For the words I wright for the words U wright when I
comes just watch it go flow
When the bird comes tight till it comes to the light then
you know that I got the sow

Enemies I'm comin when it come to tipsy toe
We come we around the corner with no Warner and no
gol
We slip up in the party like we shrimp up on the barby

So every body know
That we commin in the door slow down no they don't
know

I hold crown
Listen to the shotgun go blow
Yeah shit sounds so profound

Have you saying he still got it
I still got it you clown

I came down to rock
Y'al suckaz (suckaz)
Keeping my eyes open lookin out for my brothas
Smother you with the love (it) the best of it's kind
I rock house-parties barmitsfaz
The internets mine
One time
