Listen ft. Beyonce

[Bizzy Bone]

Stuck at the crossroads
Look how we cross toes,
Hit 'em with a crossbow,
Feelin' we're lost, no,
Hit 'em with sauce show,
Listenin' off low,
Willin' to toss mo,
Dough that I don't own costs mo,
Pain for the aim,
In my brain,
When I feel like I'm going insane,
Without a plan but the lord knows,

How can I floss when noone listens to the boss, though,
How in the hell do we prevail when they all know,
Fall no,
Never fought no,
Never caught no,
Never brought no,
Still be goin' off, though,
They wouldn't listen if we give it in morse code,
Scream 'til we hoarse in the throat,
And force those,

Listen

I am alone at a crossroads (Stuck at the crossroads)
I'm not at home in my own home
And I've tried and tried
To say whats on my mind (When I feel like I'm going
insane,
Without a plan but the lord knows)
You should have known
Now I'm done believing you
You don't know what I'm feeling
I'm more than what
You've made of me

I followed the voice, you gave to me
But now I've gotta find my own
You should have listened

Bizzy Bone

Feelin' so free, not to struggle and strife,
The test of my life,
And oh what a price,
Now shakin' the dice,
The snake my eyes,
My eyes on the prize,
Soon realize,
Stuck in the world, stuck in my sleep, stuck in my
dreams,
I pray the lord my soul to keep if I should die before I
wake I count my sheep now,

How can I floss when noone listens to the boss, though,
How in the hell do we prevail when they all know,
Fall no,
Never fought no,
Never caught no,
Never brought no,
Still be goin' off, though,
They wouldn't listen if we give it in morse code,
Scream 'til we hoarse in the throat,
And force those

I followed the voice, you gave to me

But now I've gotta find my own

You should have listened

I don't know where I belong

But I'll be moving on

If you don't, if you won't

Listen to the song here in my heart

A melody I start, but I will complete

Now I am done believing you
You don't know not what I am feeling
I'm more than what you've made of me
I followed the voice you think you gave to me

But now I got to find my own - my own
