[Bizzy]

What are you goin' through? What are you goin'
through?
If you only knew, if only you knew
What are you goin' through? What are you goin'
through?
If you only knew
(Nobody can stop me Damn)
Nobody can stop me, now Nobody can stop me, now
What are you goin' through? What are you goin'
through?
If you only knew
(Nobody can stop me)
What are you goin' through? What are you goin'
through?
If you only knew, if you only knew.

[Bizzy]

Look at my sister sadden when my baby's mammy
Like she can't stand me
Say family be the first to turn so pity (?)
Filamina, my granny, celebrate the grammy damn
Nobody knew no plannin' was so perfect
Rollin' my (?), never forget the Bones
Trippin' on foster homes
Sayin' I wasn't manly with a scarred up soul
Why can't my skeletons understand me
What if I said I was molested
Would you look at me peel,
But I keep on bailin
And I hope I don't go to hell, stressed I will
Can I sell my bio? I was born in Ohio
Already on trial
Cause Pops said I looked too light, but mom 's just
white
But I still had your smile
And look at me now gotta be proud of myself
Ain't nobody else soundin' so worried about my health
And all the while takin' care of my kids
How would they live
If I ain't hustlin', strugglin', (trustin') still keepin' Jesus a
part of

solution
He gives life in the lungs
Breath through tongue
Now here it comes
Now, here it comes; and here we go

[chorus]

Nobody can stop me, now Nobody can stop me, now
Nobody can stop me, now Nobody can stop me, now
If only you knew
What am I goin' through, goin' through, goin' through?

[Bizzy]

And my mama took plenty beatings
Now in her third damn marriage and man

Actin' like he cares apparently 'till you perish
But I was always there for you
Even though you let me leave he's beatin the shit outta
me, too
Probably why I got my bodyguards
And I'm in charge
Watch me sleep the pay is meek
But stay with me
And keep my heart collateral, we'll never break apart
Y'all didn't see me with Eazy, as a child of god
With the underdog
Never applaud once you reminisce through the ball
Movin' in Heaven's movie
Y'all, think of all that fucked-up shit you saw
Only if you knew what I was goin' through

[chorus]

What am I goin' through, goin' through, goin' through?
If only you knew
Nobody can stop me, now nobody can stop me, now
Nobody can stop me, now nobody can stop me, now
If only you knew
What am I goin' through, goin' through, goin' through?

[Bizzy]

Flashback to may and with the weight of the world
Can't stop my girl from steppin
Lookin' for affection in wrong places
My lesson be learned world turns
The early bird gets the worm
What if it's rotten while you rushin' for love and get
burned?
Five kids and that's my only concern
I was a father before I became a man society don't
comprehend

Callin' me worthless but I could purchase what they
purchase
But I understand behind closed curtains you workin' on
being a man
Death scares me
But Jesus will prepare me
And hopefully repair me
As god would want him to, really really
Ghetto media see the thug
Watch your sins
Then it's true you can be born again.

[chorus (repeat till end)]

What am I goin' through, goin' through, goin' through?
Nobody can stop me, now Nobody can stop me, now
Nobody can stop me, now Nobody can stop me, now
