[Intro/Interlude: Bizzy]

Show 'em how we play, show 'em how we play (w-w-w-w-warriors)

Show 'em how we play, show 'em how we play

We play (cause we are warriors, warriors)

That's how we play-ay, that's how we play we play  
(cause we are warriors)

Show 'em how we play (walk us through the corridor,  
warrior, warrior)

Show 'em how we play-ay-ay-ay-ay-ay

(Walkin through the corridor, walkin through the  
corridor)

Show 'em how we play-ay-ay-ay-ay-ay (warrior, warrior,  
warriors)

Show 'em how we play-ay-ay-ay-ay-ay

(Walkin through the corridor, cause we're the warriors)

Show 'em how we playyyyyyyyyy

(Cause we're the warriors, walkin through the corridor,  
corridor)

[Chorus 4X: Bizzy Bone]

It's only one - get deep in the word and deep in the  
herb

and deep in the woods and peep out the birds

Don't sleep on us, don't sleep on us (it's only, it's only)

Don't sleep on us, don't sleep on us (it's only, it's only  
one)

[Bizzy Bone]

Local on the wings takin flight gettin mo' major

What is it they gonna love me, they gonna shove me  
never a stranger to danger playa

They better remember that to the coldest winters pimp  
hand

Slippin ain't never an option, I get the trippin  
flip when they dip when they skippin

They say to the other side, let it roll, let it go, let me  
ride

As we park on the other side, for the moment

And the Lord provides, so potent, heh

Like the omni-potent, I'm the greatest,  
youknowhatl'msayin?

Now we duckin in sins, sinful livin, baby let that sinnin  
begin  
See ain't we dirty rags, and ain't we dirty bags  
Pretty in the rugged rough, pretty enough to sip that  
Henn'  
Drift back in, move back in, wit 'em again, sick enough  
Can we bring it quick enough? Now tell me is that slick  
enough...  
Cause I know I wasn't good enough, and I know they  
sneakin a peek  
Don't let 'em drown me, oh dear Lord  
I think they're drunkards and I'm a freak - stay close  
Look at the cookie crook, but I love them all the same  
and yes I'm grateful  
How could they be so fuckin hateful? (hateful)

[Chorus]

[Interlude]

[Outro: Bizzy]

It's only one...

It's only, it's only one [echoes]

It's only, it's only, it's only, it's only one [echoes]

It's only, it's only, it's only, it's only one [echoes]

It's only, it's only, it's only, it's only one [echoes]
