uh
uh-huh uh huh uh
Where you from, what?
Where you from?
Work the party now
J-Bizzy in the place yo
uh, yeah

You know you're Shelburne when you're standing on
the block
You gotta walk around the corner every time you see a
cop

You know you're Shelburne when you's thinkin you's a
star
But the music in your system is costin more than your
car

You know you're Shelburne when you're thinkin that
you're cool
But 24 years old you'll still be stuck in high school

You know you're Shelburne when you listen to this song
You're with the same girl for years but you guys still
don't get along

You know you're Shelburne when you're drinking ??????
??

You know you're Shelburne with your shirt ??????
And you see me on the street you'd be like "How's it
goin pard?"

You know youre Shelburne when you ?????? withput a
plan
And after each and every sentence you have to use the
word 'man'

Now you know I understand, man
But if you're still up by the school buyin smokes
Understand that you're Shelburne

[corus]

Shelburne's what you are when you think you's a star
But you still drive around by yourself in your mothers
car

Shelburne's what you are when you think that you're
nice

But you're the opposite, don't look twice

Yo, S to the L to the B U R N E

Yo, S to the L to the B U R N E

Yo

You know you're Shelburne when you's thinkin that
you're ??

Drinkin too much liquor, but you haven't drank enough

You know you're Shelburne when you're tryin to buy
some weed

You gotta go through seven peoples just to get what
you need

You know you're Shelburne when your mom's gone to
mingle

And you're dad's at the Oxbow actin like he's single

You know you're Shelburne when you couldn't make a
list

Of all the people that you know who make a living off of
fish

You know you're Shelburne when you're out walkin the
dog

Wearin a massive sweatsuit from the Sears catalouge

You know you're Shelburne when you're out lookin for
work

Walkin around still wearin that Scarlet Letter T-shirt

If you're from Shelburne then it goes unsaid

By the time the tractor's done there'll be room for ???

You know you're Shelburne when you've heard of J-Bizz

I'm big J, I'm tellin y'all, what more can I say?

[chorus]

Shelburne's what you are when you think you's a star
But you still drive around by yourself in your mothers
car

Shelburne's what you are when you think that you're
nice

In front of A-1 tryin to get a slice
Yo, S to the L to the B U R N E
Yo, S to the L to the B U R N E

Yo

You know you're Shelburne when you always like to
stare
At every car that drives by and if you don't know them
then ??

If you're from Shelburne then you probably got some ??
In the middle of the woods and you gotsta worry bout
the cops

If you're from Shelburne it don't matter if you're slower
But if you're driving past 12 then the cops will probably
pull ya over

And if you're from Shelburne then they're probably
gonna harrass you
Insead you're thinkin of all the stupid questions they're
gonna ask you

When you're from Shelburne goin away as a kid
And you say where you're from they're gonna ask you
what you did

You know you're Shelburne and you're playin basketball
Thinkin that you're Michael Jordan, only 5 feet tall

You know you're Shelburne when you're spittin out your
rhymes
Walkin around, wearin a touque in the middle of
summertime

Don't get me wrong cause I do this shit too
Cause I was raised in Shelburne County where there's
nothin else to do

Yo, I'm Shelburne

[chorus]

Shelburne's what you are when you think you's a star
But you still drive around by yourself in your mothers
car
Shelburne's what you are when you think that you're
nice
But you're the opposite, don't look twice
Yo, S to the L to the B U R N E

Yo, S to the L to the B U R N E

uh uh
Yo Shelburne
