MC ...Bizzy Bone uh uh uh in the place to be

(Mariah Carey)

Oh yea oh yea oh yea oh yea oh yea oh yea oh yea oh yea oh yea oh yea

I know that you been waitin' for it  
I'm waitin' too

In my imagination I be all up on you  
I know you got that fever for me hundred and two  
And boy I know I feel the same  
My temperature's through the roof  
If it's a camera up in here  
Then it's gonna leave with me when I do  
(I do)

If it's a camera up in here  
Then I best not catch this flick on Youtube  
(Youtube)

'Cuz if you run your mouth and brag about this secret rendezvous

I will hunt you down  
'Cuz they be all up in my business like a Wendy interview

But this private between you and I Touch my body  
Put me on the floor  
Wrestle me around  
Play wit me some more

Touch my body  
Throw me on the bed  
I just wanna make you feel like you never did  
Touch my body  
Let me wrap my thighs  
All around your waist  
Just a little taste  
Touch my body  
Know you like my curves  
C'mon and give me what I deserve  
And touch my body

(Bizzy Bone)

Put'em everywhere, up in there,

Wanna touch you everywhere,  
In anise'em, angels flow,  
Wanna know your soul is here  
Wanna here you say you care,  
And it give you plenty space,  
All this spirit touching your face, (yeah)  
Can I get some, get some,  
just some lovin and go,  
When we wake up in the morning,  
have some breakfast with doves  
When I'm with my crew, you know exactly what to do  
(Oooo)  
You're tellin me,  
"who do you think that you are",  
Comin' in here too  
My brother tellin me, boy don't you be a fool  
You better put on you'r shoes  
And get you'r ass back to the crib,  
And do (the deuce) (it too)  
Walk in the crib with candles, gettin' dinner fixed,  
And pick up a bottle of wine,  
Go to the bedroom and rock that shhhhh

(Mariah Carey)  
Touch my body  
Put me on the floor  
Wrestle me around  
Play wit me some more  
Touch my body  
Throw me on the bed  
I just wanna make you feel like you never did  
Touch my body  
Let me wrap my thighs  
All around your waist  
Just a little taste  
Touch my body  
Know you like my curves  
C'mon and give me what I deserve  
And touch my body  
Imma treat you like a teddy bear  
You won't wanna go nowhere  
In the lap of luxury  
Laying intertwined with me  
You won't want for nothing boy  
I will give you plenty of joy  
Touch my body  
Put me on the floor  
Wrestle me around  
Play wit me some more  
Touch my body  
Throw me on the bed

I just wanna make you feel like you never did  
Touch my body  
Let me wrap my thighs  
All around your waist  
Just a little taste  
Touch my body  
Know you like my curves  
C'mon and give me what I deserve  
And touch my body
