Baby, when I met you there was peace on earth

I set out to get you with a fine tooth comb

I was soft inside, there was somethin' going on

You do something to me that I can't explain

Hold me closer and I feel no pain

Every beat of my heart

We got somethin' goin' on

Tender love is blind

It requires a dedication

All this love we feel

Needs no conversation

We ride it together, ah-ah

Makin' love with each other, ah-ah

Chorus:

Islands in the stream

That is what we are

No one in-between

How can we be wrong

Sail away with me to another world

And we rely on each other, ah-ah

>From one lover to another, ah-ah

I can't live without you if the love was gone  
Everything is nothin' if you got no one  
And you did walk in tonight  
Slowly loosen' sight of the real thing  
But that won't happen to us and we got no doubt  
Too deep in love and we got no way out  
And the message is clear  
This could be the year for the real thing  
No more will you cry  
Baby, I will hurt you never  
We start and end as one, in love forever  
We can ride it together, ah-ah  
Makin' love with each other, ah-ah
