Trouble, we have known trouble  
In our struggle just to get by  
Many times the burden's been heavy  
Still we carried on side by side

And when we're gone, long gone  
The only thing that will have mattered  
Is the love that we shared  
And the way that we cared  
When we're gone, long gone

And when we're walking together in glory  
Hand in hand through eternity  
It's the love that will be remembered  
Not wealth, not poverty

And when we're gone, long gone  
The only thing that will have mattered  
Is the love that we've shared  
And the way that we cared  
When we're gone, long gone

When we're gone, long gone  
The only thing that will have mattered  
Is the love that we shared  
And the way that we cared  
When we're gone, long gone
