Tempted and tried, we're oft made to wonder  
Why it should be thus all the day long  
While there are others living about us  
Never molested though in the wrong

When death has come and taken our loved ones  
It leaves our home so lonely and drear  
Then do we wonder why others prosper  
Living so wicked year after year

Farther along we'll know all about it  
Farther along we'll understand why  
Cheer up my brother, live in the sunshine  
We'll understand it all by and by

"Faithful 'til death", said our loving Master  
A few more days to labor and wait  
Toils of the road will then seem as nothing  
As we sweep through the beautiful gates

Farther along we'll know all about it  
Farther along we'll understand why  
Cheer up my brother, live in the sunshine  
We'll understand it, all by and by  
Yes, we'll understand it, all by and by
