Put it off until tomorrow, wo, wo
You've hurt me enough today
You say our love is over
That you have found another
You say you're going away

But leave me tomorrow, wo, wo
You've hurt me enough today

You've hurt me enough today
I can't believe the words you say
But I must accept the fact
You won't be coming back

Oh, stay
Stay just one more day
Loneliness isn't far away

Put it off until tomorrow, wo, wo
You've hurt me enough today
Put it off until tomorrow, wo, wo
You've hurt me enough today
