You think you're so damn beautiful
You love yourself more than you know, don't ya baby?
You tell your friends that you're so rich
But you're just daddy's trust fund bitch
And everybody knows you're just a typical
Boy in love with his own reflection

They never listen and they talk too much
About stupid stuff, they're so frickin' boring
And they can never make up their mind
Why even waste our time with the same damn story
Boys will be boys, will be boys, will be boys, will be bo-
o-o-oys,
Boys will be boys, will be boys, will be bo-ohh-oys...
(B-b-b-b-boys, boys, boys, boys)

You call me drunk at 2 am expecting me to tuck you in
Well, darling I don't think so
And I can't trust a word you say
You smile then lie right to my face
And everybody knows you're just a typical
Guy in love with his own reflection

They never listen and they talk too much
About stupid stuff, they're so frickin' boring
And they can never make up their mind
Why even waste our time with the same damn story
Boys will be boys, will be boys, will be boys, will be bo-
o-o-oys,
Boys will be boys, will be boys, will be bo-ohh-oys...

(Boys-boys-boys-boys-boys)
(Boys-boys-boys-boys-boys)
(Boys-boys-boys-boys-boys)
(Boys-boys-boys-boys-boys)

They never listen and they talk too much
About stupid stuff, they're so bloody boring
And they can never make up their mind
Why even waste our time with the same damn story

They never listen and they talk too much
About stupid stuff, they're so frickin' boring
And they can never make up their minds
Why even waste our time with the same damn story
Boys will be boys, will be boys, will be boys, will be bo-
o-o-oys,
Boys will be boys, will be boys, will be bo-ohh-oys...

Boys will be boys, will be boys,
(They never listen and they talk too much)
Will be boys, will be bo-o-o-oys,
(And they can never make up their minds)
Boys will be boys, will be boys, will be bo-ooo-oys...
