So there is a WAG in every mag that you all know
Thinks she's got everything but she ain't got nothing
Well she was real plain, had no brain and had no
dough
But now she can roll in it and watch her boobs grow

All the boys will pay whooa ooow
When she's out for prey if they're straight or gay
She wont end up alone
All the boys stand still Whooa ooow
If looks could kill they probably will

Chorus

There's a brand new girl that's going round
Turning the boys upside down, Gold Digger
She's an only child that's been away,
Now she's back no-ones safe, Gold Digger

It's all very well if you kiss n tell to get ahead
Fit blokes don't count for much unless they got money
They pay for the glitz and the refurb tits
And turned up nose
Maxes their credit card and then it's heave ho

All the boys will pay Waaa-o-o
When she's out for prey if they're straight or gay
She wont end up alone
All the boys stand still Waaa-o-o
If looks could kill they probably will

Chorus

There's a brand new girl that's going round
Turning the boys upside down, Gold Digger
She's an only child that's been away,
Now she's back no-ones safe, Gold Digger

Stick on nails & plastic hair
Gucci bags and Prada shoes
Girl goes clubbing every night
Get a fright when light comes on

Dj... Gold Digger

Chorus

There's a brand new girl that's going round
Turning the boys upside down, Gold Digger
She's an only child that's been away,
Now she's back no-ones safe, Gold Digger
