The night we met I knew I needed you so  
And if I had the chance I'd never let you go

So won't you stay and love me  
I'll make you so proud of me  
We'll make them turn their heads  
Every place we go

So won't you be (be my be my baby)  
Be my little baby (my one and only baby)  
Say you'll be my darling (be my be my baby)  
Be my baby now (my one and only baby)

So won't you be (be my be my baby)  
Be my little baby (my one and only baby)  
Say you'll be my darling (be my be my baby)  
Be my baby now (my one and only baby)

I'll make you happy baby  
Just wait and see  
For every kiss you give me  
I'll give you three

Oh since the day I saw you  
I have been waiting for you  
You know I will look for you  
Till eternity

So come on and be (be my be my baby)  
Be my little baby (my one and only baby)  
Say you'll be my darling (be my be my baby)  
Be my baby now (my one and only baby)

So won't you be (be my be my baby)  
Be my little baby (my one and only baby)  
Say you'll be my darling (be my be my baby)  
Be my baby now (my one and only baby)

So won't you please (be my be my baby)  
Be my little baby (my one and only baby)  
Say you'll be my darling (be my be my baby)  
Be my baby now (my one and only baby)
