Running mouth on overtime  
Green and vicious through the vine  
But I'm not mad, I'm not surprised

Keep pretending oh so sweet  
To my face she should repeat  
I can't explain, I'm not insane

But then she shows up with intentions  
Asking questions, turn it, turn it around

Kissy, kissy to my face  
Then stabby, stabby on the case  
That girl's got a big  
That girl's got a big mouth

She's impressive, fakes a lot  
I can't take it, one more lie  
That's not cool that's not alright  
But how's this sound?  
That vet should put you down!  
Lies, lies, lies, you have no right

But then she shows up with intentions  
Asking questions, turn it, turn it around

Kissy, kissy to my face  
Then stabby, stabby on the case  
That girl's got a big  
That girl's got a big mouth

Kissy, kissy to my face  
Then stabby, stabby on the case  
That girl's got a big  
That girl's got a big mouth

Then she shows up with intentions  
Asking questions, turn it, turn it around

Kissy, kissy to my face  
Then stabby, stabby on the case

That girl's got a big  
That girl's got a big mouth

Kissy, kissy to my face  
Then stabby, stabby on the case  
That girl's got a big  
That girl's got a big mouth  
Mouth  
Mouth  
Mouth  
Mouth  
Mouth  
Mouth

Damn, that girl's got a big mouth
