Went down to Venice Beach  
Dirty Converse walking down the street  
Never thought I'd look his way  
oh no oh no oh no

Said baby whats your name  
Now I'm falling for his cheesy game  
But were totally not the same  
oh no oh no oh no

My friends tell me I've gone crazy  
Oh, no, here I go  
Fell in love with a California beach boy  
Oh, no, here I go  
What am I thinking it's so wrong  
I'm in love with a California beach boy

He drives a Mercedes  
Abercrombie head down to his feet  
You must wonder what I see  
oh no oh no oh no

But he holds the door for me  
Like he invented chivalry  
To my heart he holds the key  
oh no oh no oh no

My friends tell me I've gone crazy  
Oh, no, here I go  
Fell in love with a California beach boy  
Oh, no, here I go  
What am I thinking it's so wrong  
I'm in love with a California beach boy

We fell so fast in love love love  
He took my hand in love love love  
We fell so fast in love love love  
He fell so fast in love love love love love

Oh, no, here I go  
Fell in love with a California beach boy

Oh, no, here I go  
What am I thinking it's so wrong  
I'm in love with a California beach boy

I fell so fast in love love love  
We fell so fast in love love  
California beach boy
