Just like chocolate

You ask me what I like about you
You taste so sweet, I just can't rough you
You can have me when you want
And lips are sweet when you are talking

Yeah, you make me want you madly
And you really got me going

'Cause you melt me just like chocolate
(Just like chocolate)
And I like it and I want it
(Just like chocolate)
You know, you know, you know, you know
I can't say, 'no', I can't say, 'no' to you

A lipstick is what you get from me
Do you exist or just make believe?
Sticky candy is all I'm wanting
Take a chance and show me something

Yeah, I know what you got, you're hiding
But you got me so excited

'Cause you melt me just like chocolate
(Just like chocolate)
And I like it and I want it
(Just like chocolate)
You know, you know, you know, you know
I can't say, 'no', I can't say, 'no' to you

I can't say, 'no', I can't say, 'no' to you
I can't say, 'no', I can't say, 'no' to you
(Just like chocolate)
I can't say, 'no', I can't say, 'no'

'Cause you melt me just like chocolate
And I like it and I want it
You know, you know, you know, you know
I can't say, 'no', I can't say, 'no'

Yes, you melt me just like chocolate
(Just like chocolate)
And I like it and I want it
(Just like chocolate)
You know, you know, you know, you know
I can't say, 'no', I can't say, 'no' to you

You know, you know
I can't say, 'no' to you
You know, you know
I can't say, 'no' to you
You know, you know
I can't say, 'no'

Just like chocolate, just like chocolate
Just like chocolate, just like chocolate
Just like chocolate, just like chocolate
