You know I can't keep calm.
Hearing that sound, you know I go crazy
Making me wanna dance with you, baby, ooh.

Before I lose control,
Seeing your face, it makes me go crazy
Losing my balance,
Making me fall for you.
Ooh...

Chorus:
I can't stop when you keep me moving,
Feel your beating, my mind is racing.
Please don't stop, just love me 'til my heart
Explodes...
Explodes....

You know I can't calm down.
Hearing that song, I know it's so old-school
Bringing me back, but that's why it's so cool.
Ooh...
Chorus

Say... say you're mine, oh mine.
Say you're mine and stay.
Say... say you're mine, oh say...
Say you're mine and stay.

You know I can't keep calm.
Hearing that sound, you know I go crazy
Making me wanna dance with you, baby, ooh.
Ooh...

Chorus x2

I can't stop- la, la, la, la, la, la.
La, la, la, la, la, la, la, la, la.
La, la, la, la, love me 'til my heart explodes...
Explodes...
Explodes....
