A driving hot day  
The whiskey warms my body  
Out through the desert  
Were passing means were on our way  
Were on our way out of LA

The snowy Converse  
Melt on me while I'm walking  
So sick and broken  
Not gonna make it past halfway  
Were on our way out of LA

On and on and on and on and on and on  
We won't be long  
And on and on and on and on and on and on  
We don't be long  
We won't belong

Basements Wisconsin  
The Abbey Lounge in Boston  
A floor to sleep on  
A two-month bender so I say  
Were on our way out of LA

On and on and on and on and on and on  
We won't be long  
And on and on and on and on and on and on  
We don't belong, we won't be long  
We don't belong, we won't belong

Hey hey hey, Hey hey hey  
No oh oh, no oh

No concrete ocean  
Nobody telling me to  
But we keep looking  
For those we've lost along the way  
While on our way out of LA

We won't be long, we won't be long,  
We don't belong, we won't be long,
