"Promised Call"

Woke up about five o'clock
Had myself a veggie dog and said
Don't stop
Don't stop
Don't rot so pretty stop and say...

Slept through that buzzing sound
My schedule's turned around because
Don't stop
Don't stop
Don't stop until I hear the ring

Spit sink I really think
That I might not see you again
Because waiting up is not worthwhile
Waiting for that
Promised call from you
That promised call from you
That promised call from you...

Spend my time at the store
That's open twenty-four and
I bought, I bought
A lot of semi-permanent

Hair dyes and magazines
Burned eyes and gasoline 'cause
Don't stop
Don't stop
Don't stop until I hear you ring
