I'm gonna tell a little story
About the ones I left and left me
You'll know if you are one
'Cause you know what you've done
Woah oh
Spending days and nights with Matty
For weeks on end only to dump me
I have a suspicion
Your jealous convictions
Woah oh
And you deny
You've done wrong
Well I've kept my mouth shut too long
Get out of my way oh way oh
First you kissed me then you killed me
Get out of my way oh way oh
Wont stop me - watch me go
Watch me go
And he always wore a tie
Got drunk and difficult - made me cry
Why he did it
He wouldn't admit it
Woah oh
Immediately, was a two timer
Hooked up with my friend the liar
Spread the wrong story
Made sweet people hate me
Woah oh
And still you deny
You've done wrong
Well I've kept my mouth shut too long
Get out of my way-oh, ah-way-oh
First you kissed me
Then you killed me
Get out of my way oh way oh
Won't stop me - watch me go
WATCH ME GO!

(Hey! Hey)

Still you deny you done wrong
Well I kept my mouth shut for too long

Get out of my way oh way oh
Won't stop me - watch me go
Get out of my way oh way oh
Watch me go!
