Our love affair is a wondrous thing  
That we'll rejoice in remembering  
Our love was born with our first embrace  
And a page was torn out of time and space

Our love affair, may it always be  
A flame to burn through eternity  
So take my hand with a fervent prayer  
That we may live and we may share  
A love affair to remember

Our love affair, may it always be  
A flame to burn through eternity  
So take my hand with a fervent prayer  
That we may live and we may share  
A love affair to remember
