It makes me lonely
It makes me very lonely
When I see you there, waitin'on
It makes me tired, It makes me very tired
And inside of me, lingers on

But you have your heart
Don t believe it, and you will find it
Waitin'on
Everything I said, oh, well I meant it
And inside my head, holdin'on

'Cos if I died tonight
Would you hold my hand, no
Would you understand
And if I lived in spite
Would you still be there, no
Would you disappear

Surely must be you
But I don t make you lonely
I'll get over you
But I don 't make you lonely
