I dont know if you can see
The changes that have come over me
And these past few days i've been afraid
That i might drift away
I've been telling old stories, singing songs
That make me think about where i come from
And thats the reason why i seem
So far away today

Let me tell you that i love you
That i think about you all the time
Caledonia you're calling me
Now i'm going home
And if i shall become a stranger
No it would make me more than sad
Caledonia's been everything i've ever had

Well i have moved
And i've kept on moving
Proved the points
That i needed proving
I've lost the friends
That i needed losing
Found others on the way
I have kissed the fellas
And left them sighing
Stolen dreams yes theres no denying
I've travelled hard
Sometimes with conscience flying
Somewhere with the wind

Let me tell you that i love you
That i think about you all the time
Caledonia you;re calling me
Now i'm going home
And if i shall become a stranger
No it would make me more than sad
Caledonia's been everything i've ever had

Now i'm sitting here
Before the fire
The empty room

A forest choir
The flames have cooled
Dont get any higher
They've withered now
They're gone
And i'm steady thinking
My way is clear
And i know what
I will do tomorrow
The hands have shaken
The kisses flowed
And i will dissappear

Let me tell you that i love you
That i think about you all the time
Caledonia you;re calling me
Now i'm going home
And if i shall become a stranger
No it would make me more than sad
Caledonia's been everything i've ever had
