Another lonely night in December  
(Jaweh, Jaweh, Jaweh)  
It is the time of year people remember  
(Jaweh, Jaweh)  
I can't find a word to say to you  
I can't comprehend, I can't relate to you

Plain to see no flies on me  
Take me higher Angel Fire  
Take me where I want to go  
Teach me things I need to know  
Plain to see no flies on me  
Take me higher Angel Fire  
Take me where I want to go  
Teach me things I need to know

I'm knowing this could be our last event  
(Jaweh, Jaweh, Jaweh)  
I'm knowing I am your youngest descent  
I don't want to know your pain  
I don't want to play the game

Plain to see no flies on me  
Take me higher Angel Fire

Take me where I want to go  
Teach me things I need to know  
Plain to see no flies on me  
Take me higher Angel Fire  
Take me where I want to go  
Teach me things I need to know

I can't find a word to say to you  
I can't comprehend, I can't relate to you

Plain to see you faithfully  
Take me higher Angel Fire  
Take me where I want to go  
Teach me things I need to know  
Can't you see you're made for me  
Take me higher Angel Fire  
Take me where I want to go

Teach me things I need to know  
Can't you see you're made for me  
Take me higher Angel Fire  
Take me where I want to go  
Teach me things I need to know

(Who knows)
