I thought that he was insecure
But I don't think so anymore
Think about what you're living for
Now that you've opened up that door

Be careful what you're wishin'
Be careful what you're wishin'
Be careful what you're wishin' for

You might scream, you might shout
Trying to suss it out, sinkin' low
You might scream, you might shout
Trying to suss it out, sinkin' low

For the dictator
Be careful what you're living for
Alcohol and cocaine
I think it's driving you insane

Be careful what you're wishin'
Be careful what you're wishin'
Be careful what you're wishin' for

Now that you've opened up the
Now that you've opened up the
Now that you've opened up that door

You might scream, you might shout
Trying to suss it out, sinkin' low
You might scream, you might shout
Trying to suss it out, sinkin' low

You might scream, you might shout
You might scream

Be careful what you're wishin'
Be careful what you're wishin'
Be careful what you're wishin' for

You might scream, you might shout
Trying to suss it out, sinkin' low
Be careful what you're wishin'

You might scream, you might shout
Trying to suss it out, sinkin' low
Be careful what you're wishin'

You might scream, you might shout
Trying to suss it out, sinkin' low
Be careful what you're wishin' for
