They had an accident and they never noticed anyway  
A lack of originality couldn't focus on the day  
So much for the radio everybody sounds the same  
Everybody wears the same clothes now and everybody  
plays the game

(Estribillo)

Copycat, copycat, copycat  
Copy copy copy copy yourself  
Copycat, copycat, copycat  
Copy copy copy everyone else

I've got a great idea I will change things on my own  
I see my vision very clear, wouldn't want to be another  
clone  
So much for the radio, the radio is sad  
Sad, sad, sad

Estribillo

They had an accident but they never noticed anyway  
A lack of originality couldn't focus on the day  
So much for the radio everybody sounds the same  
Everybody wears the same clothes now, and  
Everybody plays the game

Estribillo

Copy everyone else
