Holding on that's what I do  
since I met you  
And it won't be long, would you notice  
If I left you  
And it's fine for some 'cause you're not the one

All night long, I laid on my pillow  
These things are wrong I can't sleep here  
So lonely, so lonely

I have decided to leave you forever  
I have decided to start things from here  
Thunder and lightning won't change what I'm feeling  
And the daffodils look lovely today

Oh in your eyes I can see the disguise  
Oh in your eyes I can see the dismay  
Has anyone seen lightning  
Has anyone looked lovely

And the daffodils looked lovely today  
Looked lovely
