Disappointment you shouldn't have done  
You couldn't have done  
You wouldn't have done  
the things you did there  
And we could 've been happy  
What a piteous thing, a hideous thing  
was tainted by the rest

But it won't get any harder  
And I hope you'll find your way again  
But it won't get any higher  
But it all boils down to what you did there

In the night we fight, I feel you're right  
It was exactly there  
I decided  
and drew you out  
In the night we fight, I feel you're right  
It was exactly there  
I decided

But it won't get any harder  
And I hope you'll find your way again  
But it won't get any higher  
But it all boils down to what you did there

Dissapointment
