All the things you said to me today
Changed my perspective in every way
These things count to mean
so much to me
Into my faith you
And your baby
It's out there
If you want me
I'll be there
It's out there

I'll be dreaming my dreams
With you
And there's no other places
That I'd lay down my face
I'll be dreaming my dreams with you

It's out there
If you want me, I'll be here
I'll be dreaming my dreams with you
And there's no other places that I'd
lay down my face
I'll be dreaming my dreams with you
