"I Want You"

I'll do whatever you want me to do
I'll go wherever you want me to go
I'll wait forever I won't let you go

Don't think ill ever get over you
Its now or never you must come through
It's now or never
I want you
Gonna live without you
I'm gonna live without you
I'm gonna live without you
without youâ€¦

I'll wait forever I have to let go
I'll wait forever I must let you know
That I will never forget you
I'm gonna live without you
I'm gonna live without you
Gonna live without you
without youâ€¦

Don't waste time
Don't waste time

I'll do whatever you want me to do
I'll go wherever you want me to go
I'll wait forever I wont let you go

Don't think ill ever get over you
Its now or never you must come through
And I will never, Forget you
I'm gonna live without you
I'm gonna live without you
I'm gonna live without you
without youâ€¦
