"Loser"

I'm sick and tired of people like you
You think you're clever but you haven't a clue
A two watt light bulb is brighter than you
I'm sick and tired of people like you

Yeah, yeah, you want it, you got it
Come, take it, it's over here
You want it, you got it
Come, take it, is that not clear?

You want it, you got it
Come, take it, I'll do it for you
You want it, you got it
Come, take it, just cross the line

The moral of the adventure is this
Take me for granted, you are taking the piss
I'd rather wind up with nothing at all
Than take a loser like you through it all

Yeah, yeah, you want it, you got it
Come, take it, it's over here
You want it, you got it
Come, take it, is that not clear?

You want it, you got it
Come, take it, I'll do it for you
You want it, you got it
Come, take it

Just cross the line
Cross the line
Cross the line, yeah, yeah

Yeah, yeah, you want it, you got it
Come, take it, it's over here
You want it, you got it
Come, take it, is that not clear?

You want it, you got it
Come, take it, I'll do it for you
You want it, you got it

Come, take it, just cross the line

Die, loser, die?

Why, loser, why?

Die, loser, die

Why, loser?
