This is just an ordinary day  
Wipe the insecurities away  
I can see that the darkness will erode  
Looking out the corner of my eye  
I can see that the sunshine will explode  
Far across the desert in the sky

Beautiful girl  
Won't you be my inspiration?  
Beautiful girl  
Don't you throw your love around

What in the world, what in the world  
Could ever come between us?  
Beautiful girl, beautiful girl  
I'll never let you down, won't let you down

This is the beginning of your day  
Life is more intricate than it seems  
Always be yourself along the way  
Living through the spirit of your dreams

Beautiful girl  
Won't you be my inspiration?  
Beautiful girl  
Don't you throw your love around

What in the world, what in the world  
Could ever come between us?  
Beautiful girl, beautiful girl  
I'll never let you down, won't let you down, down

Won't let you down, down  
Down, down  
Won't let you down, down

Beautiful girl  
Won't you be my inspiration?  
Beautiful girl  
Don't you throw your love around

What in the world, what in the world

Could ever come between us?  
Beautiful girl, beautiful girl  
I'll never let you down, won't let you down, down
