I cannot erase this memory
Something that is trapped inside of me

Stupid, stupid
Stay here for a while
Sit down beside me
Oh, stay here for a while

Save me a love song
Save me a song
Save me a love song
Save me a song

Something that I'm holding in my hand
Something I will never understand
Do you live your life to be in love?
I can hear you calling from above

Stupid, stupid
Stay here for a while
Sit down beside me
Oh, stay here for a while

Stupid, it's stupid
Just stay here for a while
Sit down beside me
Oh, stay here for a while

Save me a love song
Save me a song
Save me a love song
Save me a song

Cannot erase this memory
Erase this memory
Erase this memory

Stupid, stupid
Stay here for a while
Sit down beside me
Oh, stay here for a while

Stupid, it's stupid
Just stay here for a while
Sit down beside me
Oh, stay here for a while

Save me a love song
Save me a song
Save me a love song
Save me a song
