Some mental anguish in my head  
Wake me up I am not dead  
Ignite a fire in my soul  
A passing moment

Accumulating in my mind  
Are the thoughts I left behind  
Accumulating in my head  
Switch off the moment

I ask you now please  
Will you catch me when I fall?  
I ask you now please  
Will you be there when I call?

I ask you now please  
Will you catch me when I fall  
Or are you there at all?

Accumulating in my mind  
Are the thoughts I left behind  
Accumulating in my head  
Switch off the moment

I ask you now please  
Will you catch me when I fall?  
I ask you now please  
Will you be there when I call?

I'm begging on my knees  
Will you catch me when I fall?  
I'm begging now please  
Will you be there when I fall?

Falling apart, I feel I'm falling away  
I feel I'm, fall, fall, falling apart, wake up

Show me the sun, show me the sun  
I can't see the sun, I can't see the sun  
Show me the sun, show me the sun  
I can't see the sun, I can't see the sun

I ask you now please  
Will you catch me when I fall?  
I'm begging on my knees  
Will you be there when I fall?

Borderline, borderline personality  
Borderline, borderline, borderline personality
