Funny how things just tasted better
When we were young
When we were young

Funny how things just seemed so easy
When we were young

It's been a long day
It's been a long day
It's been a long day
It's been a long day

I wanna get out
I wanna go home
Is anything better
Than you on the phone

I wanna get out
I wanna go home
Is anything better
Than you on the phone

I think that we weren't always grateful
For what you've done
When we were young

I think that we weren't always grateful
For what you've done

We've come a long way
We've come a long way
We've come a long way
We've come a long way

I wanna get out
I wanna go home
Is anything better
Than you on the phone

You on the phone
You on the phone...

[Repeat refrain]
